Dogs have always been at the center of my life — both personally and professionally. I'm the proud owner of **both dogs and cats**, and I'm actively involved in AKC conformation showing, which has given me a deep appreciation for breed standards, structure, coat care, and overall canine health.

"Best Groomer in Charlotte"

In 2022, I was honored to be voted **Best Groomer in Charlotte** — a recognition that means so much to me because it reflects the trust and support of my community and clients.

Grooming, to me, is more than haircuts and baths — it's about trust, patience, and creating a safe space where dogs feel comfortable being themselves. I'm **Fear Free** and **CPR certified**, and I take pride in working at each dog's pace, whether it's a wiggly puppy experiencing grooming for the first time or a senior dog who needs a little extra care.

Every dog that comes into my care is treated like my own. My goal is always the same: a gentle experience, a happy dog, and an owner who feels confident knowing their pup was cared for with compassion and love.
