Every visit is unhurried, one-on-one, and designed around your dog's individual needs. Here's what we offer.

Move the word "needs." up after individual - for a better line up!

Bath & Brush

A thorough, relaxing bath using gentle shampoos and conditioners suited to your dog's coat. Includes a professional blow-dry and full brush-out so your pup leaves clean, soft, and smelling wonderful.

Haircuts & Styling

Breed-specific cuts or custom styling tailored to your dog's coat type, lifestyle, and your personal preferences. From puppy cuts to teddy bear faces — we get the details right.
